Associates III Receives Recognition at 2010 Crystal Awards

Associates III Wins Best Primary Residence, 3500-7000 sq ft AND Judge's Merit Award

(Denver, CO) May 13, 2010 – Associates III is honored that our residential design submittal earned top honors in the Primary Residence Category (3,500-7,000 sf) AND took home the Judge's Merit Award "Best in Show" for Best Residence Overall at the ASID Colorado Chapter's 2010 Crystal Awards.

A big round of applause for our talented design and purchasing team for this project - Kari Foster, Natalie Lynch and Cassandra Coombe!

Associates III would also like to congratulate all the creative, forward thinking designers who received recognition for their work at the ASID Award Dinner. The 29 award winning designs are featured in the June/July issue of Colorado Homes and Lifestyles magazine.

In addition, this winning residential design will be featured in the Summer 2010 Colorado Issue of LUXE Interiors + Design. Teaming with John Muir as Architect, Yoshimura Design for landscape design and Maley Building Corporation as contractor the home displays a quiet, calm simplicity while delighting with visual surprises. Keep an eye out for it!
